For Immediate Release

**Mirror Framing Kits will be featured at "NHS AWARDS"
Booth 3208 in Homewares, Central Hall**

"Mirror Mirror on the Wall, dress it up with no effort at all"

April 26, 2010 Boca Raton, FL. Do-It-Yourself innovative Mirror Framing Kits will be launched for the first time at The 2010 National Hardware Show Booth 3208 and also is featured in "The Homeware Awards" Program located in the Registration Area.

MirrEdge™ is a framing system, for existing bath and vanity mirrors, that anyone can easily install. Consumers can now enhance their frameless mirrors in minutes at a fraction of the cost that it would take to remove or replace existing mirrors. Everything needed to trim a mirror up to 60" x 60" is included in the newly packaged Kits. Choose from Cherry Walnut, Royal Oak, Dove White or Acrylic Mirror finishes, or the woodgrain finishes can be painted.

Each Kit will Retail Under \$50.00 and will include:

- 4- 1.5" x 60" MirrEdge™ Strips
- 4- Corner Plates
- Adhesive
- Double Faced Tape Squares
- Razor Knife
- Measuring Device on side of box
- 4- Mirror Retainer Metal Clips
- Instructions

MirrEdge™ Goes Green

By virtue of its use, MirrEdge™ is contributing to conservation by making old new again. Useful life of mirrors is extended, thus preventing the need to discard old mirrors into landfills.

MirrEdge™ is available at Select Home Improvement Centers. For more information visit our website:
www.mirredge.com or call 800-757-2990

Millennium International Development Corporation has developed and distributed innovative Home Improvement products for the past ten years, nationally and internationally, from its headquarters in Boca Raton, FL and has won an Editorial Award at The International Hotel/Motel & Restaurant Show as a "Green Product"
